

## PRAYING FOR GOD'S VISION FOR 2020

The bible says in Proverbs 29:18 *Where there is no vision, the people are unrestrained.* This simply means that, when we have no vision, we can go in any direction in life. It really doesn't matter because we have no goal in mind. But where there is a clear vision, there must be discipline and hard work. We are no longer free to just go in any direction because a clear target is set before us.

Any athlete that has a vision of winning the championship is no longer free to do as he or she pleases. Discipline and daily training become a vital part of every movement in their life. The vision of a championship takes hold of their life and will not let go until they have reached the finish line.

Pray you will see clearly God's vision for your life that inspires people and glorifies God. Pray also that you will have a vision from God about the ministry he has in mind for you.
