

# DIGITAL TOOLS TO CONNECT GROUPS

Discipleship through community is the heart of our mission at Briarcliff Church. Due to the recent COVID-19 developments, here is a list we put together of free video conferencing options to help groups stay connected.

## ZOOM

[zoom.us](https://zoom.us)

By signing up for a free account, Zoom users are allowed to host free video meetings up to 40 minutes on a desktop or mobile device. Additional time requires a

## SKYPE

[skype.com](https://skype.com)

Free and simple to set up via the web browser, desktop app, or mobile app. Share your link and allow others to join from any platform.

## FACETIME

[apps.apple.com](https://apps.apple.com)

A free option for Apple device users. This app allows for multiple participants to join one call via an iPhone, iPad, or Mac

## GOOGLE HANGOUTS

[hangouts.google.com](https://hangouts.google.com)

Requires all participants to have a Google account. Each Hangout allows up to 10 people per phone call for an unlimited amount of

## JITSI

[meet.jit.si](https://meet.jit.si)

A free online software for Chrome web browsers. Users can create a meeting, then share the link for others to join online or via the Jitsi Meet app.

## FACEBOOK MESSENGER

[messenger.com](https://messenger.com)

A free option from Facebook that allows for individual or groups of people to video chat via the web browser and the Messenger mobile app.
